

MML Playboy's Lolita

07/18/2018 Date of Birth: Registration 1: CI315359

Breeder: MonMel Longhorns Owner: Jack and Kain Roper

We love this colorful young lady and a daughter of Hot Playboy. She has a nice conformation, great horn direction, calm disposition, and beautifully marked. On the maternal side she goes to WS Jamakizm, and Sittin Bull, on the paternal side she goes to Boomerang CP, and J.R Grand Slam. Her calves are correct and beautiful and we are looking forward to great offspring from her.
